

History of the FIFA World Cup

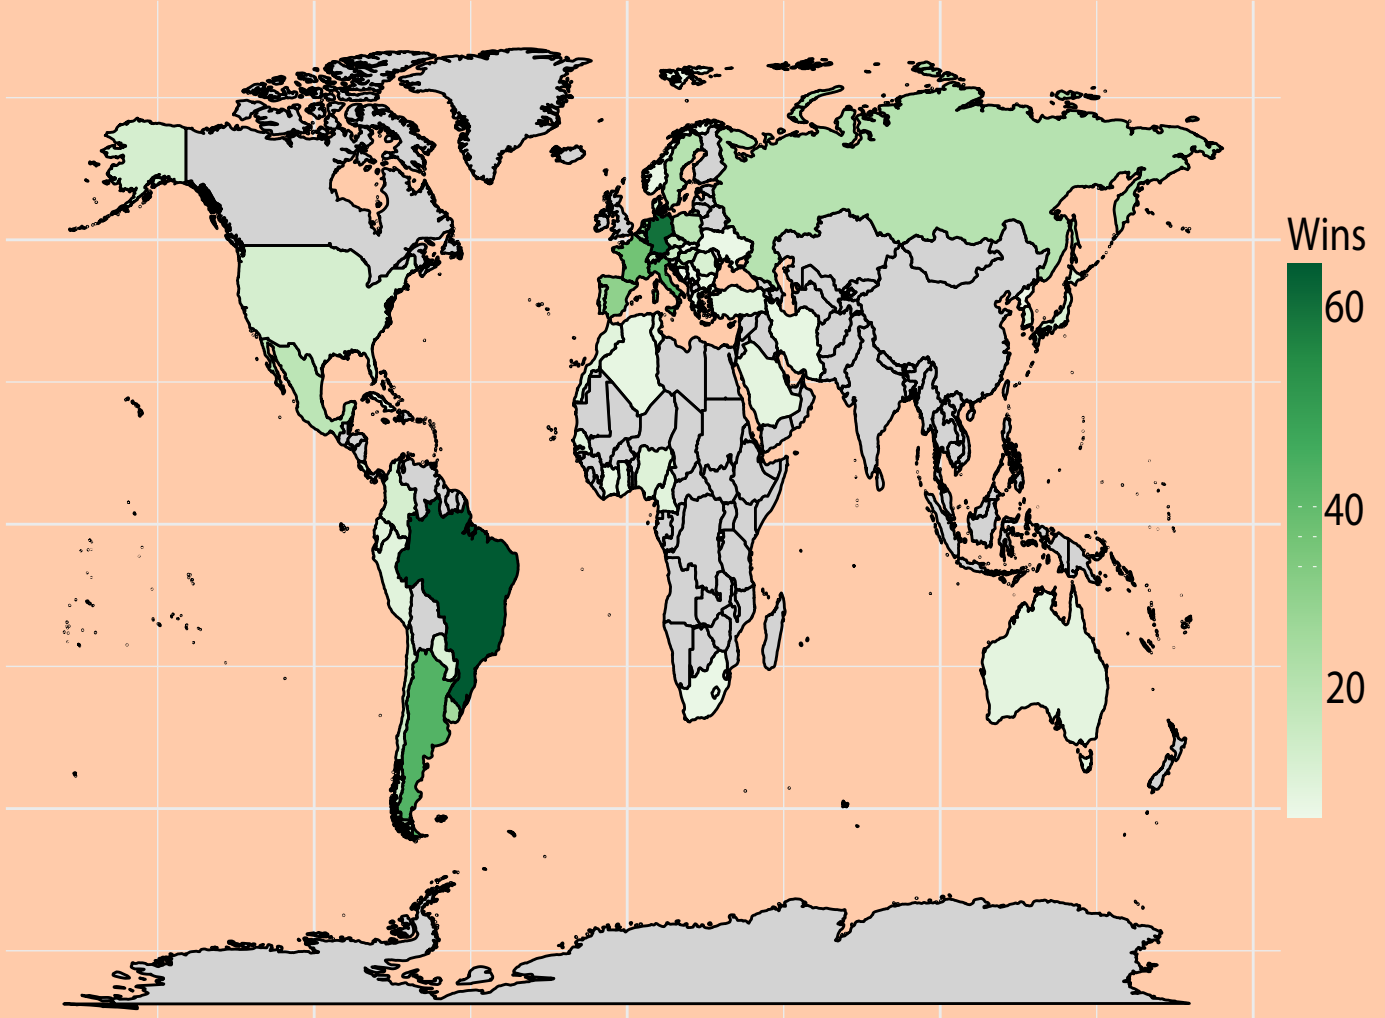

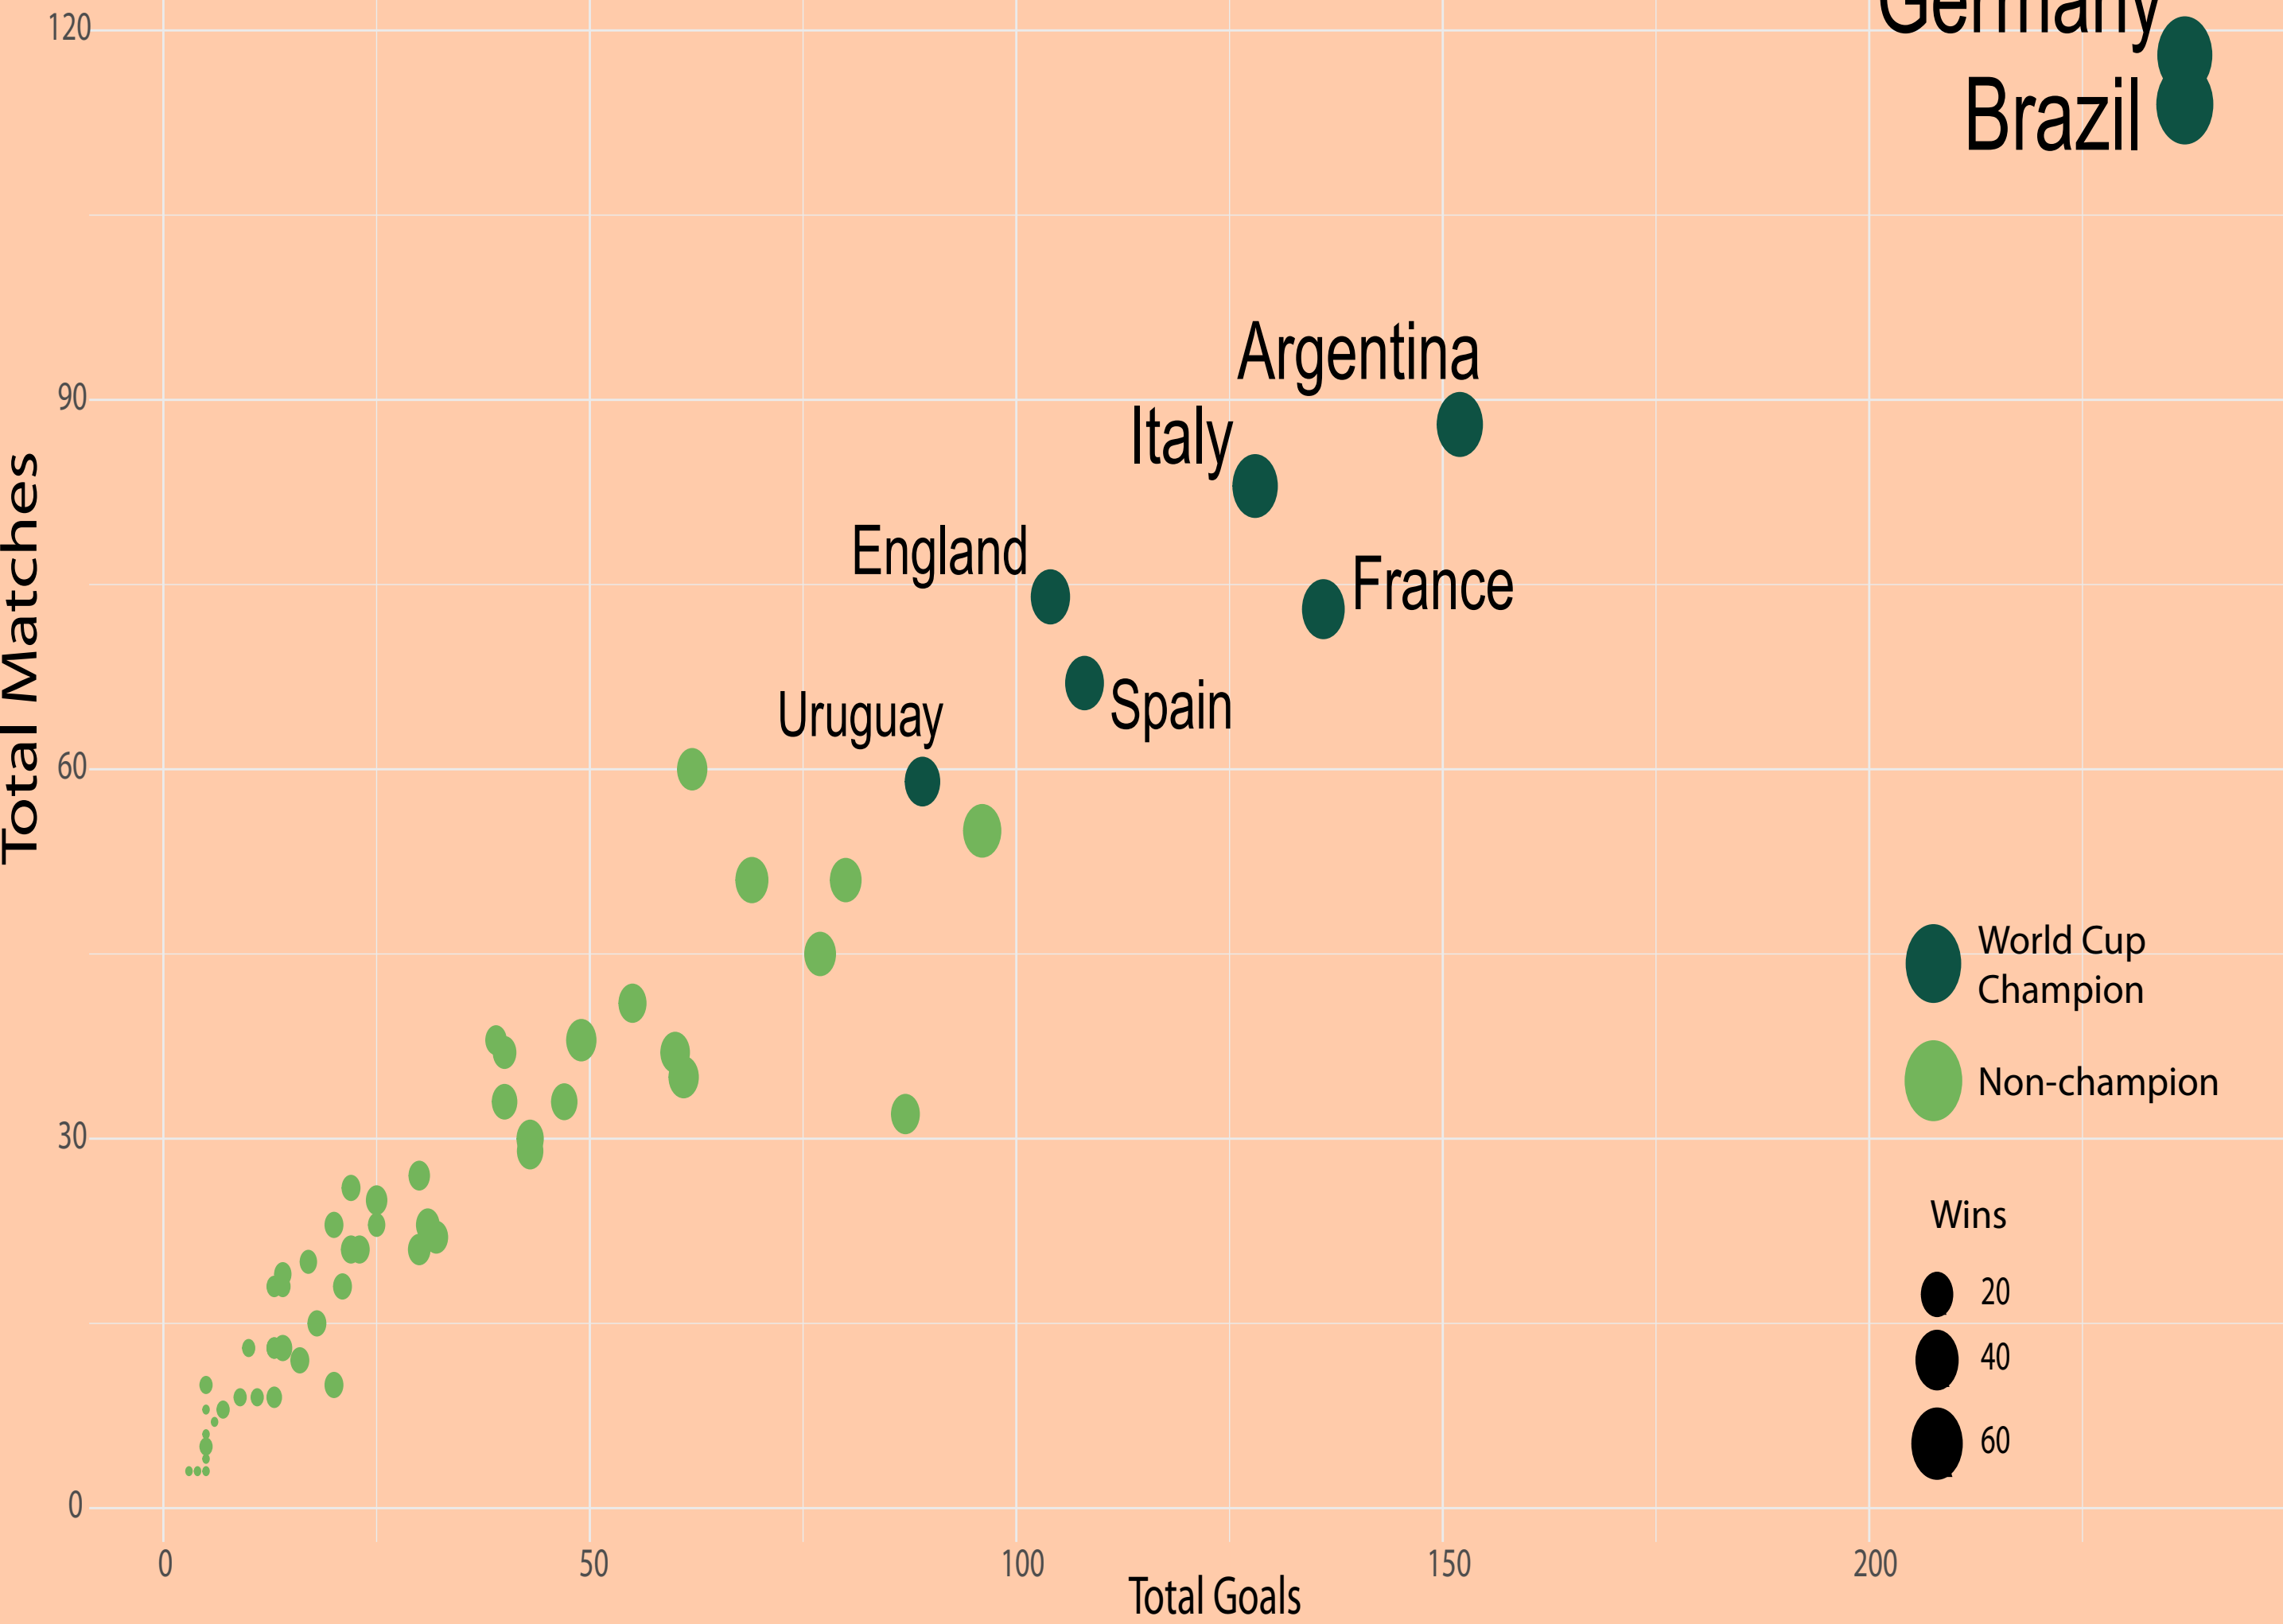

Analysis of who has had the most success in the world's most popular sporting event

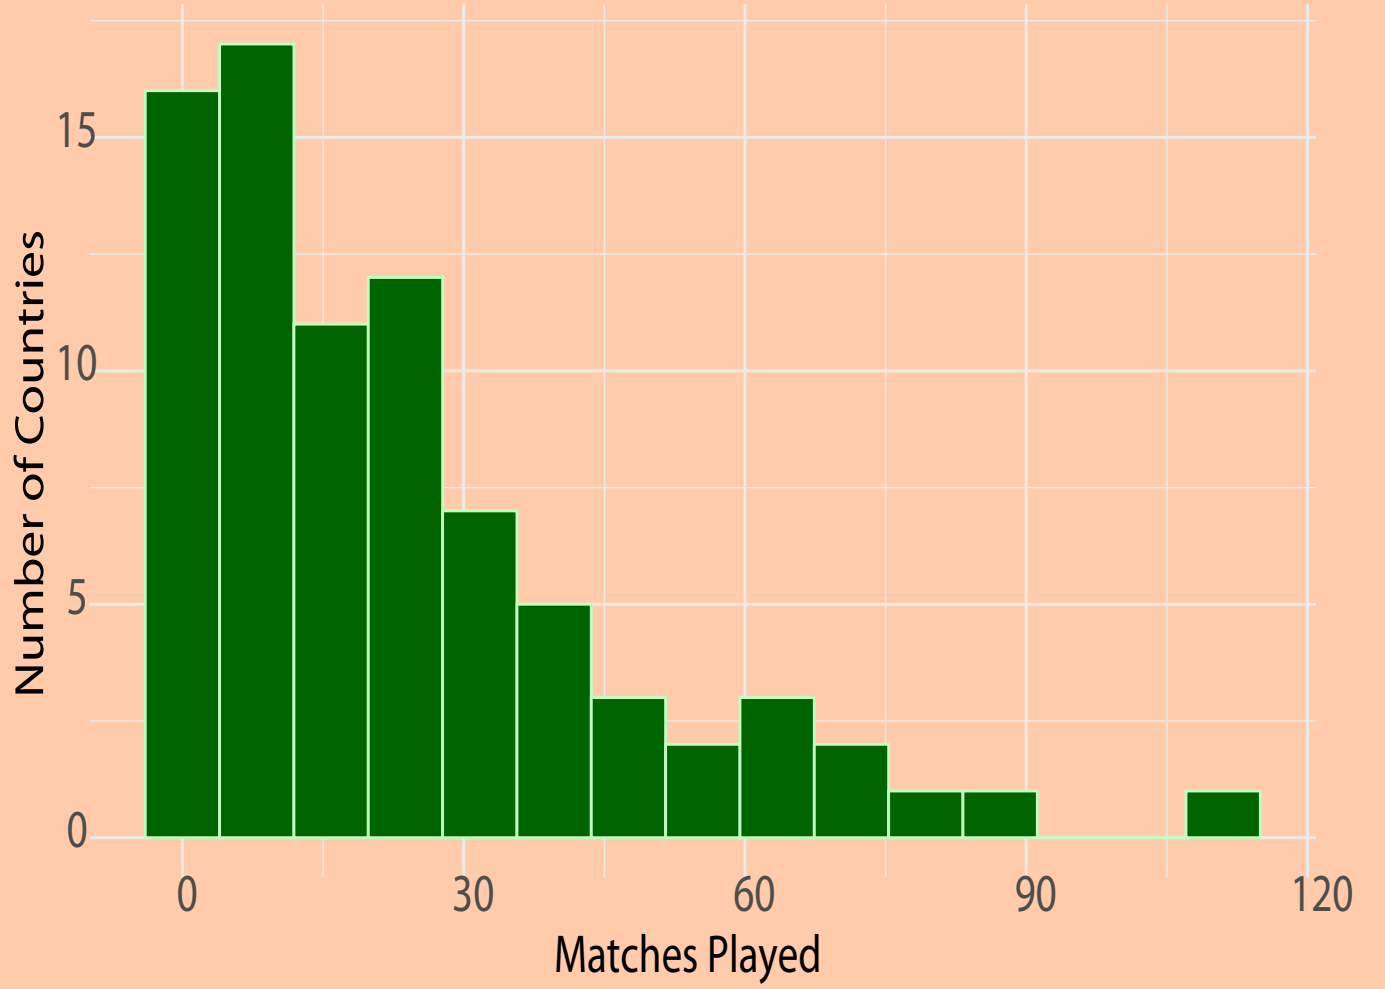

Data Description

- Tha data used was a combination of two data sets from Kaggle. One was World Cup matches (964 rows and 37 columns) and the other was World Cup scoring (2720 rows and 27 columns).
- To clean the data former countries stats were converted to present day country's stats (e.g. West Germany to Germany)

Most successful Countries at World Cup
